Rebecca,

I have 30 pages of comments to review from our contractor. I am incorporating them into a request for additional information letter to you. This will take a few weeks. Please be patient.

Thanks, Nancy

Nancy,

Just following up after our last phone call the end of May. Can you give me an idea of the timeframe for comments from EPA on the Gunnison Copper Project UIC permit application?

Is there anything we can provide to assist at this point in the review?

Thanks.

Thank you,
